

Getting Started Checklist

1 Register for a SmartBride Boutique account

- Go to www.SmartBrideBoutique.com/accounts/register

2 Choose your retailer package

- Choose from the Lily, Sophia or Cassandra package based on the number of items you anticipate listing. You can upgrade or downgrade your package at any time.
- Pay for your package using our safe and secure shopping cart. You will be billed the minimum 3 month subscription up front, and monthly billing will resume at the beginning of the 4th month.

3 Create a listing for your first item

- Click on the "SELL" button in the top left corner of the website
- Select the item category and your city
- Fill in the fields with information about your item and select photos of your item from your computer
- Preview/edit the listing to make sure it looks just right
- Publish your listing

* For each additional listing, you will skip steps 1 and 2 unless you exceed your existing retailer package.

*For more assistance, check out our Guides to Posting an Item, Pricing an Item and Uploading Photos

4 Respond to enquiries from interested brides & make appointments or arrangements to sell your items

- Interested brides will contact you via our secure e-mail system. You may then elect to respond with your phone number and additional contact information.
- Make sure to notify the bride of any terms of sale including your refund policy or shipping costs.
